

qConnect 2025 Quantum Solutions Showcase

Elevate your quantum technology and solutions on a global stage by participating in the Solutions Showcase at qConnect 2025.

The qConnect 2025 Solutions Showcase is your chance to spotlight your quantum solution in front of a high-impact audience. In a focused five-minute pitch, you'll demonstrate how your technology addresses real-world challenges and captures the interest of industry leaders, potential partners and end-users.

Format:

The showcase will take place in person on November 5–6, 2025, at the TELUS Convention Centre in Calgary, Alberta. Each participating company will have one speaker on stage delivering a 5-minute presentation to summit attendees. PowerPoint presentations are supported.

Eligibility:

- Global Applicants: Open to companies worldwide.
- Company Stage: Startups to established companies are welcome.
- Solution Readiness: Solutions should offer clear benefits (e.g., efficiency, cost savings, new capabilities) and be ready to present to industry partners or investors.
- Industry Relevance: Priority given to solutions addressing real-world challenges, especially in Alberta's energy, agriculture, aviation/logistics and financial services sectors.
- Quantum Focus: Must involve quantum computing, sensing or communication technologies.
- Scalability & Feasibility: Solutions must be practical, scalable and capable of delivering real-world impact.

About qConnect 2025:

qConnect 2025 is the premier industry event for quantum technology, bringing together businesses, tech creators, startups, government and investors to transform ideas into impact. As part of the International Year of Quantum Science and Technology, qConnect features insightful talks, expert panels and strategic networking opportunities. Designed to be accessible for all, qConnect encourages wider adoption of quantum solutions by fostering collaboration and action to shape the future of quantum.

Benefits of participating:

- Showcase your solution to an audience of 250+ industry leaders, investors, and potential partners
- Build connections with end-users and prospective clients
- Gain visibility through promotion on the qConnect 2025 website and event materials
- Boost your brand by sharing your participation across your own channels
- Receive complimentary registration for one presenter
- Apply for a competitive travel bursary to help offset travel costs

Interested?
